ADMINISTRATION

The State Treasurer is responsible for receiving and investing state moneys, posting receipts to the proper funds, and signing warrants drawn according to law. As custodian of those funds, the State Treasurer determines the amount of state moneys not needed for current operating expenses and invests those funds in interest-bearing time deposits in Missouri financial institutions or in short-term United States government obligations or other instruments as provided by Article IV, Section 15 of the Missouri Constitution. Safety and liquidity are the State Treasurer's priorities in the investment of the public's funds. The State Treasurer monitors capital markets and works to maximize the return on the state's \$3.4 billion portfolio without compromising safety, earning the state millions of dollars in interest income each year.

The State Treasurer is also responsible for all state banking services, for authorizing all state payments and for reconciling those accounts. The State Treasurer establishes bank accounts for the collection of state moneys and for the receipt of all electronic payments. To protect taxpayers' money, the State Treasurer maintains a separate accounting system to provide a check and balance on the Office of Administration accounting system, and distributes investment earnings to the proper funds.

Additionally, the State Treasurer is tasked with the biennial transfer of funds to the General Revenue Fund and the transfer of excess interest earned on the debt offset escrow account as set forth in Mo. Rev. Stat. §§ 33.080 and 143.786.

MISSOURI FIRST INITIATIVE

The Missouri FIRST linked deposit program encourages economic growth and development in Missouri. It enables the state to provide reduced-rate deposits to financial institutions, which in turn make low-interest loans to eligible borrowers, as specified in Mo. Rev. Stat. § 30.750. Qualified borrower categories include agriculture, job creation, small business, alternative energy, local governments or other authorized categories. Under the Missouri FIRST linked deposit program, the State Treasurer places deposits in Missouri financial institutions at a discount of up to 60 percent on the normal market interest rate. In turn, the financial institutions pass on the interest-rate savings by making loans to qualified borrowers at interest rates no more than 70 percent of market. If the lending institution does not loan the full amount of the deposit, the institution must pay the state the difference between the market rate and the reduced linked deposit rate. If the State Treasurer determines that the lending institution miscalculated and overpaid additional interest, a refund is made to the lending institution.

UNCLAIMED PROPERTY AND THE ABANDONED FUND ACCOUNT

The State Treasurer administers the state's unclaimed property program by collecting, safeguarding and working to return unclaimed property sent by financial institutions, insurance companies, private businesses and public agencies. The State Treasurer's Office holds this cash and property until the owner or heir can be located or comes forward. The Treasurer is committed to returning as much unclaimed property as possible and continues to break records in both the dollar amount of property and accounts returned. As required by state statute, the Treasurer also annually notifies owners of their unclaimed property via postcards sent to their last known address as well as by taking out advertisements in local newspapers.

In accordance with Mo. Rev. Stat. § 447.543, the abandoned fund account receives and holds these unclaimed funds, making payment of valid claims. Any time the abandoned fund exceeds 1/12 of the previous fiscal year's disbursements, the State Treasurer may, and at least once every year shall, transfer the excess to general revenue. If verified claims for payment should reduce the balance in the account to less than 1/24 of the previous fiscal years disbursements, the State Treasurer shall transfer from general revenue an amount sufficient to restore the fund to 1/12 of the previous fiscal year's disbursements. Additionally, pursuant to Mo. Rev. Stat. § 470.020, the State Treasurer makes an annual transfer from the abandoned fund to the public schools fund.

ISSUING DUPLICATE AND OUTLAWED CHECKS

The State Treasurer is charged with replacing state-issued checks in the event they are not presented for payment within the legally required 12-month time frame pursuant to Mo. Rev. Stat. § 30.200.

CENTRAL CHECK MAIL SERVICE

The State Treasurer operates a centralized check mailing service for state agencies pursuant to Mo. Rev. Stat. § 30.245, which allows the state to take advantage of bulk mailing rates and consolidation of payments to a single vendor.

2. CORE DESCRIPTION

Pursuant to RSMo Section 30.200 "Any person who fails to present his check or draft for payment within twelve months from the date of issuance may receive a duplicate check or draft if he files a statement with the state treasurer of the reason for the nonpayment and obtains an appropriation made for that purpose as provided by law. A duplicate check or draft may be issued against a general appropriation for that purpose within five years immediately following the date of issuance of the original check or draft."

We are requesting an open-ended appropriation for FY20 to issue duplicate and outlawed checks. The volume and amount of claims for duplicate checks is outside the control of the STO, however, we do proactively contact payees of outlawed checks to assist them in obtaining a replacement check. Prior to FY18, this appropriation was estimated and the State Treasurer's Office (STO) had the ability to request an increase as claims for replacement checks were received to avoid delays in issuing these payments.

The request is based on long term trends, the volume of current outstanding outlawed checks, and the likely replacement of those checks. In FY17, over \$3.1 million was spent from this appropriation. The FY19 appropriation amount was established at \$2 million, which is insufficient to support the claims received by the STO for duplicate checks.

2. CORE DESCRIPTION

Pursuant to RSMo Section 447.543, the treasurer shall make prompt payment of claims from the Abandoned Fund Account. These claims are for the payment of moneys held by the State Treasurer's Office (STO), in trust, for the rightful owners and heirs of unclaimed property.

We are requesting an open-ended appropriation for FY20 for the payment of claims from the Abandoned Fund Account. The volume and amount of claims for unclaimed property is outside the control of the STO. Claimants may locate their unclaimed property and begin the claims process on the STO's website, the STO annually mails postcards to the last known address of each owner and publishes in newspapers across the state. Prior to FY18, this appropriation was estimated and the STO had the ability to request an increase as unclaimed property claims were received and processed to ensure there were no delays in the payment of claims.

2. CORE DESCRIPTION

Pursuant to RSMo Section 447.543, "Should any claims be allowed or refunds ordered which reduce the balance to less than one-twenty-fourth of the previous fiscal year's total disbursement from the abandoned property fund, the treasurer shall transfer from the general funds of the state an amount which is sufficient to restore the balance to one-twelfth of the previous fiscal year's total disbursement from the abandoned property fund." This appropriation is also used to transfer outlawed state checks to the abandoned fund. (Monies are usually transferred back to general revenue within one day.)

We are requesting an open-ended appropriation for FY20 to transfer funds from the General Revenue Fund to the Abandoned Fund as indicated in statute. Prior to FY18, this appropriation was estimated and the State Treasurer's Office (STO) had the ability to request an increase if additional funds were needed.

3. WHY IS THIS FUNDING NEEDED? PROVIDE AN EXPLANATION FOR ITEMS CHECKED IN #2. INCLUDE THE FEDERAL OR STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS PROGRAM.

This funding is needed to transfer funds as necessary for claim payments from the Abandoned Fund Account (AFA). The State Treasurer's Office (STO) primarily uses this appropriation to transfer cash from GR for outlawed checks into the AFA. Like other abandoned property held in the AFA, these funds are kept in trust for potential claims by rightful owners within statutorily allowed timeframes. Secondly, but only rarely and not recently, the STO uses this appropriation to comply with Section 447.543, RSMo, which provides that "Should any claims be allowed or refunds ordered which reduce the balance to less than one-twenty-fourth of the previous fiscal year's total disbursement from the abandoned property fund, the treasurer shall transfer from the general funds of the state an amount which is sufficient to restore the balance to one-twelfth of the previous fiscal year's total disbursement from the abandoned property fund."

4. DESCRIBE THE DETAILED ASSUMPTIONS USED TO DERIVE THE SPECIFIC REQUESTED AMOUNT. (How did you determine that the requested number of FTE were appropriate? From what source or standard did you derive the requested levels of funding? Were alternatives such as outsourcing or automation considered? If based on new legislation, does request tie to TAFP fiscal note? If not, explain why. Detail which portions of the request are one-times and how those amounts were calculated.)

This request is based on historical usage and expected amounts of outlawed checks. In FY17, over \$3.8 million was transferred using this appropriation. In FY14, over \$4.8 million was transferred using this appropriation. The FY19 appropriation amount was established at \$2 million, which the State Treasurer's Office (STO) believes is insufficient. The amount of outlawed checks transferred and the likelihood of additional funds needed is outside the control of the STO.

2. CORE DESCRIPTION

Pursuant to RSMo Section 447.543, excess cash balances in the Abandoned Fund are transferred to the General Revenue Fund and at least once annually, the balance in the fund that exceeds 1/12 of the previous fiscal year's total disbursements from the fund shall be transferred to the General Revenue Fund. Moneys in the fund are utilized to pay claims of unclaimed property to the rightful owner.

We are requesting an open-ended appropriation for FY20 for the transfer of excess funds to the General Revenue Fund in accordance with statute. The volume and amount of claims for unclaimed property as well as the receipts of unclaimed property from holders is outside the control of the STO. In FY17, the transfer to the General Revenue Fund exceeded \$62 million. The FY19 appropriation amount was established at \$45 million, which is significantly less than the amounts transferred in preceding fiscal years. Prior to FY18, this appropriation amount was estimated and the STO had the ability to request an increase as additional balances were identified as available to transfer.

2. CORE DESCRIPTION

In the event an audit indicates that an interest refund is due to a depository institution regarding a linked deposit, adequate funding must be available to make the refund. Section 30.758.5 provides that "...the state shall receive market interest rates on any linked deposit or any portion thereof for any period of time for which there is no corresponding linked deposit loan outstanding to an eligible..." borrower. When a financial institution miscalculates and overpays the amount of market interest owed to the Office of the Missouri State Treasurer (STO), the STO must have a mechanism to refund the overpayment.

2. CORE DESCRIPTION

Pursuant to RSMo Section 33.080, at the close of each odd-numbered fiscal year, the Office of the Missouri State Treasurer shall calculate the unexpended or available balance in each eligible fund and transfer it to the general revenue fund.

Funds listed above are only a representative sample of funds that could be impacted by biennial transfers. These funds were chosen as examples because they were impacted by the most recent biennial transfer year.

We are requesting an open-ended appropriation for FY20 to perform the biennial transfer. The transfer for FY2018 - FY2019 will be made in FY2020. The amount to be transferred is outside the control of the STO as fund balances may fluctuate considerably and statutory limits vary by fund. The FY19 appropriation amount was established at \$1 million, which the STO believes is insufficient, given historical transfer amounts that range between \$861,000 and \$3,275,000. Prior to FY18, this appropriation was estimated and the State Treasurer's Office (STO) had the ability to request an increase if additional funds were needed.

2. CORE DESCRIPTION

Pursuant to RSMo Section 470.020, an amount equal to five percent of the annual amount transferred to the General Revenue Fund from the Abandoned Fund Account, less any transfers from the General Revenue Fund to the Abandoned Fund Account, shall be transferred to the State Public School Fund.

We are requesting an open-ended appropriation for FY20 to transfer funds from the Abandoned Fund to the State Public School Fund as indicated in statute. Due to the difficulty in estimating the activity in the fund for any given fiscal year, which then drives the transfer amount upon which this calculation is based, the STO is requesting an open-ended appropriation. Prior to FY18, this appropriation was estimated and the State Treasurer's Office (STO) had the ability to request an increase if additional funds were needed.

**STATE OF MISSOURI
FUND FINANCIAL SUMMARY**

DEPARTMENT: Office of the State Treasurer
FUND NAME: State Treasurer's Office General Operating Fund
FUND NUMBER: 0164

REVENUE SOURCE: The source of revenue for this fund is the retainage of interest earnings as authorized by § 30.605 Missouri Revised Statute.

FUND PURPOSE: This fund is used for the general operations of the Office of the State Treasurer excluding the Unclaimed Property Division (separately funded through the Abandoned Fund 0863). The salaries and fringe benefits for employees performing investment, cash management and administrative duties as well as related expense and equipment costs are paid from this fund.

EXPLANATION OF UNEXPENDED APPROPRIATION AMOUNT: The State Treasurer's Office experienced staff retirements during FY18 as well as turnover in several other positions. Not all of the staff were able to be replaced quickly, and when the positions were filled, the starting salaries of the new staff were less than the exiting staff due to the longevity of the existing staff. This turnover also resulted in a temporary reduction of general office spending.

EXPLANATION OF OTHER ADJUSTMENTS: This fund has no other adjustments.

EXPLANATION OF OUTSTANDING PROJECTS: The State Treasurer's Office has several in-house systems that require routine maintenance from in-house staff. These systems are sufficiently aged that updating of the system and the source code are necessary to keep them functioning properly. The State Treasurer's Office plans to update these systems as resources and funding are available with both in-house and external programming staff.

EXPLANATION OF CASH FLOW NEEDS: Because interest receipts can fluctuate greatly month-to-month based on the state's overall cash flow, the State Treasurer's Office manages the cash flow needs of this fund by striving to maintain a fund cash balance of half a fiscal year's budgeted expenditures. This is accomplished by reviewing the interest retainage calculations on a monthly basis and adjusting them as needed.

OTHER NOTES: Notwithstanding the provisions of § 33.080, moneys in the State Treasurer's general operations fund shall not lapse to the general revenue fund at the end of the biennium unless and only to the extent to which the amount in the fund exceeds the annual appropriations from the fund for the current fiscal year.

* Do not include in the Prior Year Actual column as doing so would double count lapse & reserve.

**STATE OF MISSOURI
FUND FINANCIAL SUMMARY**

DEPARTMENT: Office of the State Treasurer
FUND NAME: Abandoned Fund
FUND NUMBER: 0863

REVENUE SOURCE: The source of revenue for this fund is abandoned property remitted to the State Treasurer's Office by the holder.

FUND PURPOSE: This fund contains amounts remitted by holders to the state as Unclaimed Property. The fund is used to pay owner claims, and also enables the Office of the State Treasurer (STO) to fulfill its advertising requirements for unclaimed property. The STO must mail notices, advertise in newspapers and utilize outreach programs (i.e. radio, television, internet website, booths at public events and other proactive owner location) in an attempt to locate owners. The STO must conduct an auction of items received that need to be liquidated and pay out claims to the rightful owners of the unclaimed property. The fund pays for salaries and fringe benefits of the Unclaimed Property Division staff and related expense and equipment costs effective FY2006.

EXPLANATION OF UNEXPENDED APPROPRIATION AMOUNT: Unexpended personal service dollars are the result of occasional staff turnover resulting in the division not being fully staffed for the entire fiscal year. Unexpended advertising and auction dollars are the result in cost savings achieved by competitive bidding. Unexpended claims amounts are the result of a fourth quarter increase in the estimated appropriation amount which exceeded the amount of unclaimed property claims processed for payment in that quarter.

EXPLANATION OF OTHER ADJUSTMENTS: This fund has no other adjustments.

EXPLANATION OF OUTSTANDING PROJECTS: This fund has no outstanding projects.

EXPLANATION OF CASH FLOW NEEDS: The Abandoned Fund's cash flow needs are to ensure sufficient cash balances to pay claims for unclaimed property. The State Treasurer's Office does possess appropriation authority to transfer funds from the General Revenue Fund should the cash balance in the Abandoned Fund become insufficient to pay claims.

OTHER NOTES: At any time when the balance of the account exceeds one-twelfth of the previous fiscal year's total disbursement from the abandoned property fund, the Treasurer may, and at least once every fiscal year shall, transfer to the general revenue of the State of Missouri the balance of the abandoned fund account which exceeds one-twelfth of the previous fiscal year's total disbursement from the abandoned property fund, and notwithstanding the provisions of § 33.080 to the contrary, no other moneys in the fund shall lapse at the end of the biennium.

* Do not include in the Prior Year Actual column as doing so would double count lapse & reserve.
